BRILLIANT EPIC MELODIC METAL, this album brings forth a melodic heavy crossover album that boards on the edges of many of Metals subgenres, fans of many styles (Melodic, Power / Scandinavian/US / German style metal)

AVIAN's "Ashes and Madness" is the amazing sophomore effort of vocalist/ producer Lance King best known for his many albums with (Balance of Power / Pyramaze / Gemini) and guitarist /composer Yan Leviathan. The band's Debut album featured known Megadeth bassist David Ellefson. This new offering the band has added BILL HUDSON of Cellador guitar fame.

Lance King's vocals are extremely memorable and intoxicating, these songs well written, memorable and while being very heavy are still very accessible and radio friendly. These songs are sure to grab the listener on their first listen.

FOR FANS OF KAMELOT, GAMMA RAY, STRATOVARIUS, EDGUY.
